

Clann Fraser is a group of re-enactors who portrays the Highlands of Scotland as they were in the 1500's with full armored contact. They have researched extensively to recreate this time accurately. Lord Hugh Fraser, Earl of Lovat, is the chief of Clann Fraser. Andra Magnus Macpherson is chief of the Macpherson clan. Well respected by both friend and foe alike, he is heir to the clan holdings. After attending St. Andrews in Edinburgh, Andra returned home to the Highlands to defend his clan from Macintosh raids. Pol Ross was born on a croft but now makes his living as a mercenary in the employ of Lord Fraser. His wife, Lorna Ross nee Troy, comes from a Norman family that immigrated to Ireland. Each re-enactor can share centuries of their history and demonstrate the skills necessary to stay alive in the 16th century.
